Information about the Twitter page from: Flottweg SE

We use the technical platform and services of the company Twitter International to provide the information service offered here.

We would like to remind you that you are solely responsible for any consequences resulting from the use of this Twitter page and its features. This applies in particular to the use of interactive functions (e.g., commenting, sharing, rating). Alternatively, you can also access the information offered on this page via our website at <https://www.flottweg.com/>.

When you visit our Twitter page, Twitter records your IP address and other information that is available on your computer in the form of cookies. This information is used to provide us, as the operator of the Twitter pages, with statistical information about the use of the Twitter page.

The data collected about you in this context will be processed by Twitter and, as necessary, transferred to countries outside the European Union. What information Twitter receives and how it uses that information is described broadly in Twitter's privacy policy. There you will also find information on how to contact Twitter and how to change the settings for advertising.

You can find Twitter's full privacy policy here:

- <https://twitter.com/de/privacy>

In what way Twitter uses the data from visits to Twitter pages for its own purposes, to what extent activities on the Twitter page are assigned to individual users, how long Twitter stores such data, and whether data from a visit to the Twitter page are passed on to third parties is not conclusively and clearly stated by Twitter and is not known to us.

When you access a Twitter page, the IP address assigned to your end device is transmitted to Twitter. Twitter also stores information about the devices of its users (e.g. as part of the "registration notification" function); Twitter may thus be able to assign IP addresses to individual users.

If you are currently logged on to Twitter as a user, a cookie with your Twitter identifier is stored on your device. This enables Twitter to track that you have visited this page and how you have used it.

Information on how to manage or delete existing information about you can be found on the following Twitter support pages:

- <https://help.twitter.com/de>

As the provider of the information service, we do not collect and process any other data from your use of our service.

You will find the current version of this privacy policy under “Privacy Policy” on our Twitter page.

If you have any questions about the information we offer, please contact us by telephone at +49 (0)8741–3010 or by email at mail@flottweg.de.

The agreement on joint responsibility according to Article 26 GDPR (status: 8/21/2020) with Twitter can be found at: <https://gdpr.twitter.com/en/controller-to-controller-transfers.html>

What data protection rights do I have?

You have a right to information, to correction, to deletion or restriction of the processing of your stored data at any time; you have the right to object to the processing as well as the right to data portability and the right to lodge a complaint in accordance with the provisions of data protection law.

Right of access:

You can demand information from us as to whether and to what extent we process your personal data.

Right to rectification:

If we process your personal data that are incomplete or incorrect, you can demand that we correct or complete such data at any time.

Right to erasure:

You can demand that we erase your personal data if we process the data unlawfully or if the processing interferes unjustifiably with your legitimate data protection interests. Please note that there may be reasons that prevent an immediate erasure, for example, in the case of statutory retention obligations. Irrespective of the exercising of your right to erasure, we will erase your personal data immediately and completely, provided that there is no legal or statutory obligation to retain the data.

Right to restriction of processing:

You can demand that we restrict the processing of your personal data if:

- you contest the accuracy of your personal data, for a period of time that enables us to verify the accuracy of the personal data.
- the processing is unlawful and you oppose the erasure of the personal data and request the restriction of their use instead;
- we no longer need the personal data for the purposes of the processing, but you still require the data for the establishment, exercise, or defense of legal claims; or
- you have lodged an objection to the processing of the data.

Right to object:

If we process your personal data out of a legitimate interest, you can object to this data processing at any time; this would also apply to profiling based on these provisions. We will then no longer process your personal data unless we can demonstrate compelling legitimate grounds for processing that override your interests, rights, and freedoms or unless the processing serves the establishment,

exercise, or defense of legal claims. You may object to the processing of your personal data for the purpose of direct marketing at any time without having to give reasons.

Right to data portability:

You may request that we provide you with the personal data you have provided to us in a structured, commonly used, and machine-readable format and that you may transfer those data to another data controller without hindrance from us, provided that

- we process such data on the basis of a revocable consent given by you or for the fulfillment of a contract between us; and
- this processing is carried out by automated means.

Where technically feasible, you may request us to transfer your personal data directly to another data controller.

Right to lodge a complaint:

If you believe that we are processing your personal data in violation of German or European data protection law, please contact us so that we can clarify any questions you may have. Of course, you also have the right to contact the supervisory authority responsible for you, i.e. the respective state office for data protection supervision.

If you wish to assert any of the above rights against us, please contact our data protection officer. In cases of doubt, we may request additional information to confirm your identity.

Right of withdrawal of consent

If we process your data on the basis of your consent, you may revoke this consent at any time without affecting the lawfulness of the processing carried out on the basis of the consent up to the revocation.

Twitter alone is responsible for implementing these rights under Articles 15 to 20 of the GDPR with respect to data stored by Twitter after joint processing. You also have a right to object and to lodge a complaint, as described above, with regard to us.

If you need support or have any other questions, please contact us by email at mail@flottweg.com. If you no longer wish to have your data processed as described here in the future, please cancel the connection of your user profile to our site by using the functions "I no longer like this page" and/or "Do not subscribe to this page".

If you have any questions about data protection, you can also contact our data protection officer at:
